

Health is Light

Get lighter and win prizes

Brief

Health is light is a weight-loss competition directed to those who suffer from normal or extreme obesity from members of SIMAH Company (males and females) to motivate them to lose weight and follow a healthy lifestyle in both nutrition and physical activities.

Duration

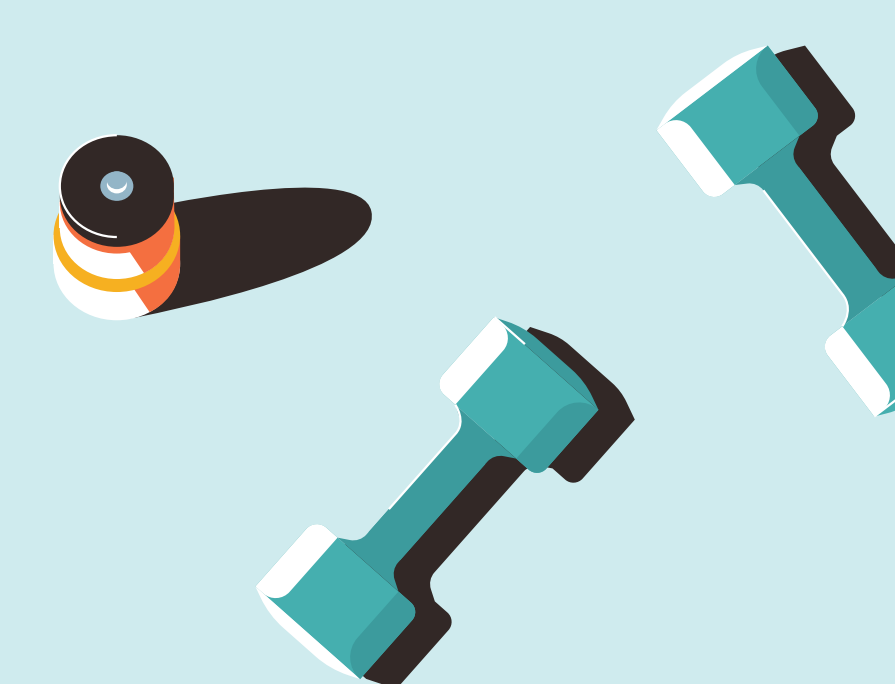

weeks 14

- * Form registration: Sunday & Monday (13 - 14 March 2022).
- * Inbody Scan: tuesday - thursday (15 -17 March 2022).
- * Lightning Duration: 20 March - 9 June 2022 (12 weeks).
- * Inbody Re-scan: final week (12-14 June 2022).
- * Winners announcement (16 June 2022).

What should you do

work on reducing fat and increasing muscles by following healthy habits, from both sides of nutrition and physical activities.

Participation is only available to those who are obese or extremely obese. That is, the BMI level is greater than or equal to 30.

1

Conditions of Participation

Commitment to monitor BMI results on a weekly basis throughout the duration of the competition.

3

Adopting natural (organic) methods to lose weight and increase muscles through healthy eating and moderate exercises, and not to perform any external intervention for rapid weight loss (surgeries - steroids and synthetic pills...etc).

4

Not having any health conditions that may conflict with weight loss activities and increased exercises (such as pregnancy, complex medical procedures, etc.).

5

Conducting an Inbody scans once at the beginning of the competition and once at the end of the competition through Al-Dawaa Pharmacy.

2

Evaluation Criteria

There are no fixed goals. The focus will be on the percentage of change for each participant in each of the following criteria, so that prizes will be awarded to the first places according to performance, in order to ensure the greatest fairness in the evaluation:

- Rate of change in BMI.
- Rate of change in body fat percentage (BFP).
- Rate of change in the body muscle percentage (BMP).

The averages of these criteria will be aggregated so that the final average is the final evaluation criterion.

(The results are obtained via the Inbody scan).

Registration Steps

- 1- Register with the form via the attached link.
- 2- Conduct an Inbody scan at Al-Dawaa Pharmacy.
- 3- Start practicing activities to reduce fat and increase muscles, and monitor the level of BMI weekly.
- 4- Make the Inbody scan again at the end of the competition period.

Prizes

Vouchers from Noon with amounts of money

- 1st winner: **2,500 SAR.**
- 2nd winner: **1,500 SAR.**
- 3rd: **1000 SAR.**

This competition aims to motivate employees (and society in general) to adopt a healthy lifestyle. We aim to promote positive competition among all to improve the life of every person, away from fierce competition and rivalry among the participants.

1

Important Notes

The process of conducting an Inbody scan in Al-Dawaa Pharmacy is illustrated in the video attached to the message.

3

Manipulation of results is strictly prohibited. If any fraud is discovered, the participant will be disqualified and not have the opportunity to participate in any future event. This includes, but is not limited to: having someone other than the participant perform the Inbody scan - submitting incorrect weekly BMI results... among others.

2

The weekly results monitoring method will be sent after registration is completed.
