

## SIMAH Draft Behavioural Competency Framework - Definitions

| Core Competencies                     |                                                                                                                                                                                                                  |
|---------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Communication &amp; Openness</b>   | Openly & proactively sharing relevant knowledge, information & understanding with others. Using written & spoken word to share or collect information & exchange ideas                                           |
| <b>Integrity, Trust &amp; Ethics</b>  | Behaving in an honest, fair & ethical manner. Showing consistency with SIMAH's values in words & actions                                                                                                         |
| <b>Teamworking &amp; Cooperation</b>  | Working cooperatively with others from across departments towards the achievement of SIMAH's strategic goals                                                                                                     |
| Leadership Competencies               |                                                                                                                                                                                                                  |
| <b>Achieving Results</b>              | Focusing on generating positive results; ensuring that challenging targets & goals are met or exceeded. Taking responsibility for performance of self, others & teams in delivering agreed outputs or objectives |
| <b>Driving Change</b>                 | Continuously seeking better ways to achieve SIMAH's goals or modifying those goals to better meet the needs of SIMAH's stakeholders                                                                              |
| <b>Strategic Direction</b>            | Inspiring & actively engaging employees with plans for the growth & success of SIMAH whilst balancing the needs of all stakeholders                                                                              |
| <b>Team Building</b>                  | Improving the way that individuals & groups work together to achieve SIMAH's strategic goals. Developing a culture of cross-departmental teamworking                                                             |
| General Competencies                  |                                                                                                                                                                                                                  |
| <b>Adaptability &amp; Improvement</b> | Adopting or learning different behaviours, approaches or skills to meet the needs of the job or requirements of the business or the situation; seeking to find better ways or to improve results                 |
| <b>Commitment &amp; Motivation</b>    | Displaying drive & determination to meet the requirements of the job; endeavouring to overcome any difficulties, problems or obstructions                                                                        |
| <b>Customer Focus</b>                 | Serving customers by understanding their needs then working to meet those needs                                                                                                                                  |
| <b>Influencing &amp; Persuading</b>   | Positively convincing others about an idea, approach or direction                                                                                                                                                |
| <b>Problem Solving</b>                | Carrying out logical analysis & assessment of a problem then formulating & executing an appropriate or creative solution                                                                                         |
| <b>People Development</b>             | Understanding employees' needs & skills & helping them to achieve their potential whilst genuinely caring for their welfare                                                                                      |
| <b>Technical Excellence</b>           | Exhibiting a high level of expertise & accomplishment in carrying out a technical job or process (e.g. Finance, programming, HR, planning etc.)                                                                  |

## Behavioural Competency Framework Model

**Approximate Mapping between Competency Levels & Grades/levels of seniority.** (“Approximate” ... as different jobs may require higher/lower levels of Competence depending on their focus or specialism)

| Framework Level                | Level A                                                 | Level B                                                         | Level C                                                   | Level D                                               | Level E                                                                      |
|--------------------------------|---------------------------------------------------------|-----------------------------------------------------------------|-----------------------------------------------------------|-------------------------------------------------------|------------------------------------------------------------------------------|
| <b>Grade Level (Job title)</b> | Grades 2, 3 & 4<br>(Clerical, Officer & Senior Officer) | Grades 5 & 6 (Specialist/ Analyst & Senior Specialist/ Analyst) | Grades 7, 8 & 9<br>(Manager/Senior Manager & Head of ...) | Grades 10 & 11 (Chief ... of Function/ Department)    | CEO & DCEO                                                                   |
| <b>Descriptor</b>              | Individual Contributor                                  | Accomplished individual; supports others                        | Manages groups, teams or projects                         | Leading expert within an important area of specialism | Develops organisational capacity; gains reputation for SIMAH in its industry |

### **Behavioural Competency Framework Guidelines**

| Level of Seniority                                            | Clerical & Officer<br>(incl. Senior Officer)<br>Grades 2,3&4 | Specialist/ Analyst<br>(incl. Senior Spec/Anal)<br>Grades 5&6 | Manager<br>Grades 7 | Head<br>Grades 8&9 | Chief<br>Grades 10&11 |
|---------------------------------------------------------------|--------------------------------------------------------------|---------------------------------------------------------------|---------------------|--------------------|-----------------------|
| <b>Min Weighting for Behavioural Competency Criteria</b>      | 30%                                                          | 30%                                                           | 40%                 | 40%                | 25%                   |
| <b>Max Weighting for Individual Performance Objectives</b>    | 70%                                                          | 70%                                                           | 60%                 | 60%                | 75%                   |
| <b>Total Number of Competencies for Performance Appraisal</b> | 6                                                            | 6                                                             | 7                   | 7                  | 8                     |
| <b>Core Competencies</b>                                      | 3 of 3                                                       | 3 of 3                                                        | 3 of 3              | 3 of 3             | 3 of 3                |
| <b>Leadership Competencies (<i>min</i>)</b>                   | -                                                            | -                                                             | 1 of 4              | 2 of 4             | 3 of 4                |
| <b>General Competencies</b>                                   | 3 of 7                                                       | 3 of 7                                                        | 3 of 7              | 2 of 7             | 2 of 7                |

**Individual Leadership Competencies and General Competencies to be used for each employee’s Performance Appraisal to be agreed by Appraising Manager & Employee**

| <b>CORE COMPETENCY</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | <b>Communication &amp; Openness – Openly &amp; proactively sharing relevant knowledge &amp; understanding with others. Using written &amp; spoken word to share or collect information &amp; exchange ideas.</b>                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
